In center, Dobbs showed excellent judgment, especially in placing himself for the Youngatown left-handed batsmen. On one occasion he planted himself away over in right, not far from O'Hara, and Durrett vindicated hit; judgment by hitting out a fly which Dobbs took in without moving out of his tracks. Of course, if Durrett had sent one to left center the lickie fans would have said Dobbs didn't know the game.

Wheeling got in the game in the opening inning, and scored enough runs to win the game. Dobbs led off with a base on balls and moved up on Lyons safe hit to right for a base. HAIL COLUMBIA! The Cap Defender Again Defeats De-

NEW BEDFORD, Mass., August II. The run of the New York yacht club fleet from Vineyard Haven to this port to-day proved the most unsatisfactory of the cruise and as far as the racing was concerned, was well-nigh a fixile. All day the yachts wrestled with typical dog day conditions, winds from all quarters and at all velocities interspersed with calms, rain, sunshins and fog and it was the boat that carried a mascot that won in her class. Columbia was one of these and for the second time in the cruise she beat Defender by many miles because of the shifting breezes and calms. In fact so far ahead was the new boat at the finish that Defender gave it up entirely and did not round one of the marks, the Vineyard Sound lightship. At one time during the day about noon, it looked as if Defender had the mascot and nyght win, for she got a fine shift of wind and left Columbia becaimed two miles astern. But this seemingly forfunate shift proved Defender's undoing, the breeze leaving her entirely when off Tarpaulin cove; five miles from the start, and she lay there two hours, while her rival farther out in the sound picked up a nice southwest breeze and made the gain that effectually put Defender out of the race. Columbia was test bevond Cuttybunk before Defender. quarters and at all velocities interfender out of the race. Columbia was out beyond Cuttyhunk before Defende was moved, over ten miles astern.

CHICAGO, August 11.—A special to the Record from Denver, Col., says: Shortly before midnight the National Association of Railroad Commissioners adopted a resolution recommending the next Congress to revise the inter-state commerce law upon the suggestion made by the inter-state commerce made by the inter-state commerce commission in its last report. The reso-lution, which was prepared by the com-mittee on legislation, was adopted without discussion. Immediately upon the adoption, Commissioner Osborne, of Michigan, vigorously protested against the action on the ground that the mat-ter had not been properly discussed. Spirited discussion followed, but it ef-fected no change.

HOME AGAIN.

The Independents arrived home from Salem yesterday afternoon, over the Cleveland & Pittsburgh road, on the train due here at 1:33, which was one hour late. A crowd of about four hun dred people met them at the depot together with the Martin's Perry Cornet hand. They formed in line at the depot and marched up Hanover street and halted in front of the opera house, where Chief Ong welcomed the world's champions home in a few well delivered remarks. Judge Cochran, on behalf of the city, spoke eloquently on "How we feel about it." He sized up the feeling of our people in the language of the young lady, who, while kneeling at the mourner's bench, was asked "how she felt," she replying that "she felt bully." George Cooke, on behalf of the Independents, told them "how it happened." The boys then retired and the crowd dispersed.

WILL THEY ACCEPTS It is quite likely that the Indep ents will get a chance to contest with the crack Toronto team soon. Chief James Goodwin, of that city, stated to Dr. Darrah that they would be glad to run a hub to hub race with the team from this place. A purse will be raised by the citizens here and offered the team of that city at the odds of two to one for a race on any neutral grounds. Chief Goodwin also expressed a willingness to take part in the hub to hub race at the St. Mary's plenie next Saturday, if invited. An invitation was sent the Toronto boys yesterday afternoon, by the committee on races for the plenic and at that time if they show up they will have plenty of money to cover at the odds stated above. It is 40 be hoped that the Toronto team will be on hands and "get their feet wet."

WILL MEET THIS EVENING. There will be an important meeting the firemen and citizens this evening streets. The object of the meeting is to discuss plans of getting a hose team race with Toronto in the near future. A challenge will probably be the outcome of the meeting and a purse will be raised among the clitzens, which will be offered to the Toronto boys at odds of two to one. All members of the fire department and as many clitzens as can are requested to be present.

GASOLINE EXPLODED. GASOLINE EXPLODED.

Yesterday afternoon at 2 o'clock, the fire department was called to the home of Charles Keller on Washington street by an alarm which was turned in from hox No. 35. Mrs. Keller was endeavoring to fill the can on the gasoline stove while the burners were lighted. Mrs. Keller was badly burned about the face and arms, but was very fortunate in getting off so lucky. The fire was extinguished by a few buckets of water without the assistance of the department.
